

CERC3 Workshops on Evaluation Procedures

1st Workshop on Research Proposal Evaluation/Assessment Procedures in Chemistry by the National Research Councils,

21 November 1997, Rome, Italy

- ☆ Strategic areas and key activities
 - ☆ "Training" versus "Research"
 - ☆ "Big problem-solving" issues
 - ☆ Methodology
 - ☆ International referees
-

2nd Workshop on Research Proposal Evaluation/Assessment Procedures in Chemistry by the National Research Councils,

11 December 1998, Rome, Italy

- ☆ Common aspects of research proposal evaluation and selection by the CERC3 Research Councils
 - ☆ Peer review aspects
 - ☆ CERC3 Transnational Research Initiative
-

Workshop „Guidances Regarding Transnational Assessment and Evaluation

Procedures in Chemistry",

19 February 1999, Bonn, Germany

- ☆ Recommendations for transnational collaborative research proposals in chemistry
- ☆ Recommendations for the reviewing procedure
- ☆ The role of ESF (EUROCORES)
